

# Bitcoin Regular

Start Date - 1 JUNE, 2018

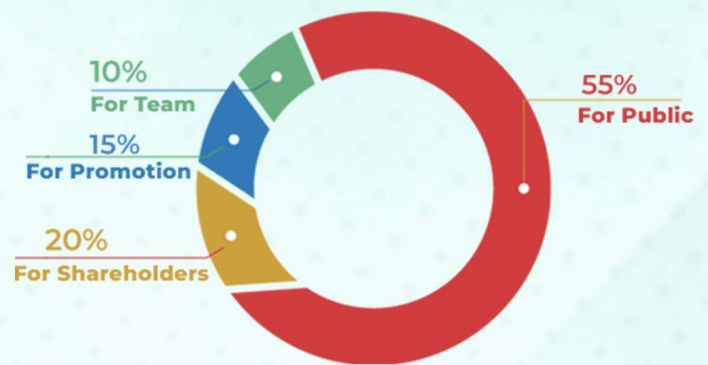

End Date - 31 JULY, 2018

## Our Concept

One of BTRL's main objectives is to implement the blockchain technology into e-commerce. In setting this kind of objective, BTRL aims to fully utilize the advantages of the technology and make e-commerce as efficient as possible. Step-by-step introduction of the blockchain technology into trade will promote global expansion of Bitcoin regular.
